### Teens Class: The Many Faces Of Right & Wrong

What makes good acts good and evil acts evil? If I lie to save someone else's life, am I committing good or evil? There are times when two moral values conflict and you have to decide what to do because you cannot do both at the same time. This course will explore from a Christian perspective some of the moral issues confronting our society that most of us including young people would have wrestled with at one time or another.

### Chinese Class: Jesus Driven Ministry

This course offers keen insights into how Jesus and His disciples conducted themselves in ministry. Through this study, you will learn how you can be empowered for ministry, share the good news, disciple others, pray and minister to the sick.

*For more information, please refer to the Chinese Language Ministry.*

SUNDAY • 10.30AM

### Winning Attitudes – General

It's not about your actions. It's not about your circumstances. It's not about your relationships. It's not even about your life's calling. It's all about . . . your attitude! What does God think about your attitude? This study uses examples from the Israelites' journey out of Egypt to show how attitudes can affect whether someone stays in the wilderness or enjoys the blessings of the Promised Land. Discover how you can lead others (and even yourself) out of attitudes God hates and into those He honours.

### 1 Corinthians – Level 2

The church at Corinth faced many issues ranging from dissensions and factions in the church, lawsuits between believers to questions related to sexual immorality, marriage, the exercise of spiritual gifts as well as issues related to the exercise of Christian liberty. This course helps us to recognise the privileges and responsibilities of being the 'temple of God' both as individuals and as a Church.

### My Faith – Level 1

This course provides believers with the biblical basis for the practices and beliefs of the Christian faith. Topics covered include teaching on water baptism, stewardship, the Holy Spirit and end-time events. This course is a requirement for all seeking membership with Calvary Church.

## CALVARY CHURCH DAMANSARA PERDANA

SUNDAY • 9AM

### The Search For Significance – General

"When I fail at something, I feel lousy about myself . . . When others don't approve of me, I can't seem to get over it . . . Sometimes, it feels like I'll never measure up. . ." These are the universal lies that trigger the cycle of self-doubt, robbing us of joyful living. Based on the modern classic by Robert McGee that has become a phenomenon, you will through this study learn to see your worth through God's eyes, step off the "performance treadmill," trace and replace harmful emotions and live as a victorious Christian.

### Extraordinary Acts Of Ordinary People . . . Acts – Level 2

Dynamic churches - congregations that are experiencing phenomenal growth and Christian ministries that God is using to take down walls inspire us and make for good reading. The Book of Acts is a world-shaking story of the first 30 years of the Christian church. This course will examine the primary reasons for the growth of the early church and how ordinary people, filled with the Holy Spirit's power apply their faith to everyday life and accomplished great exploits for the kingdom of God!

### Teens Class: High Definition Life

Today's young people may well have more demands on their time than any generation in history – with little time in their activities to stop and have a chat with God. But if they don't make time for a little "one-on-one" with their Heavenly Father, their spiritual growth will be stunted. This course will help young people learn how to spend time talking with – and listening to – God. It also gives them action-packed exercises to help them find answers in God's Word.
