Introduction
Question of faith – How to have it? How to apply it? Receiving the outcome of it.

I. Seeing the invisible – (Hebrews 11:1,10)
- Not what you imagine or dream
- Nothing to really look at.
- It is what God said … it is who He is.

The fundamental fact of existence is that this trust in God, their faith, is the firm foundation under everything that makes life worth living. It’s our handle on what we can’t see. (Eugene Peterson)

Called by God to travel to an unknown place that would become his home. Abraham did this by keeping his eye on an unseen city with real, eternal foundations – city designed and built by God. God’s Word moved him on. His other experiences of faith always had to do with God’s revealed Word to him.

II Believing the impossible (Hebrews 11:11 Also verses 17-19)
- Not believing in yourself … but in God.
- Not understanding why and how.
- Based on His promise … with a purpose (see verses 9,11, 13,17)

III Receiving the unbelievable (Hebrews 11:11,12 of course verse 6 – Genesis 24:1, 25:8)
- Blessings beyond oneself.
- God’s purpose continues to prevail.
- Surpasses our expectations!
